

I. Important Announcements ([Chinese](#))

1. Broadened Range of Securities-Related Products that Funds of Funds May Trade

On 26 May 2020, the Financial Supervisory Commission addressed the need of Securities Investment Trust Enterprises to trade securities –related products via funds of funds by expanding the scope of securities-related products that such funds may trade. Funds of funds were already permitted to trade securities-related products derived from indices, and may now also trade government-bond futures and interest-rate swaps to increase investment efficiency.
