

Attending the 2019 OECD-ASIAN Roundtable on Corporate Governance Report

The 2019 OECD-ASIAN Roundtable on Corporate Governance was held by Securities and Exchange Board of India (SEBI) in Mumbai from November 27th to 28th, 2019. Topics addressed at the 2019 Roundtable included 2019 OECD equity market review, recent corporate governance developments in India, board duties and responsibilities in governing company groups, evolving ownership patterns and implications for policymakers, differential voting rights: How can it work, and update on corporate governance developments in Southeast Asia. Participants including policy makers, stock exchanges, and institutional investors worldwide shared their experiences on recent corporate governance development, enhancing economic efficiency and financial stability by improving corporate governance frameworks in the region.
