

Attachment 2

Declaration of Foreign Bank's Designated Representative

1. We will adopt a prudent and sustainable business strategy for the operations of our branches within the territories of the ROC. We will maintain the liquidity of our branches in the ROC at all times and provide them with necessary financial support.
2. We will ensure and maintain the quality of our professional managers at our branches within the territories of the ROC and we are willing to offer necessary assistance to advancing the financial technologies in the ROC.
3. Our branches within the territories of the ROC will assiduously observe the Banking Act of the ROC and applicable regulations.
4. The businesses we apply to operate in the ROC do not violate the laws and regulations in our home country, nor the articles of incorporation of the head office.
