

## I. Important Announcements

### 1. TWSE-listed and TPEX-listed Companies to Adopt Electronic Filing for Share Repurchases Starting 1 May 2026, and FSC Urges Advance Preparation

To respond to digitalization trends, enhance the efficiency of share repurchase filing procedures, and reduce the administrative costs associated with paper-based filings, the Financial Supervisory Commission (FSC) on 22 January 2026 amended Articles 2, 6, and 13 of the Regulations Governing Share Repurchase by Exchange-Listed and OTC-Listed Companies. Under the amendments, filings for shares repurchases by TWSE-listed and TPEX-listed companies will be made electronically in place of paper-based submissions. To allow sufficient time for companies to prepare for the implementation of the electronic filing system, the amendments will take effect on 1 May 2026. The FSC has also directed the Taiwan Stock Exchange (TWSE) and the Taipei Exchange (TPEX) to conduct outreach and provide guidance to listed companies to facilitate their preparations.
